

Flexible personalized benefits for happier employees.

Most companies struggle to offer benefits that truly resonate with their workforce.

Employees want more than standard benefits. They want **flexibility, purpose, and rewards that actually fit their lives.**

- 72% stay longer when benefits feel personal.
- 76% want flexibility and meaning in how they're rewarded.

Your team is diverse. Your benefits should be too.

LIVD lets every employee choose the lifestyle perks that matter most – all in one simple platform.

Sam takes his kids for a vacation.

Riley makes a childhood dream come true by taking drum classes.

Sarah is taking her chef game to the next level!

What our customers are saying...

"LIVD has been a fantastic addition to our benefits program. Our employees love the flexible benefit options, and we've found it to be an easy and meaningful way to recognize service anniversaries. **The program is simple to manage and has added real value to our employee experience.** We're grateful for such a flexible and impactful solution."

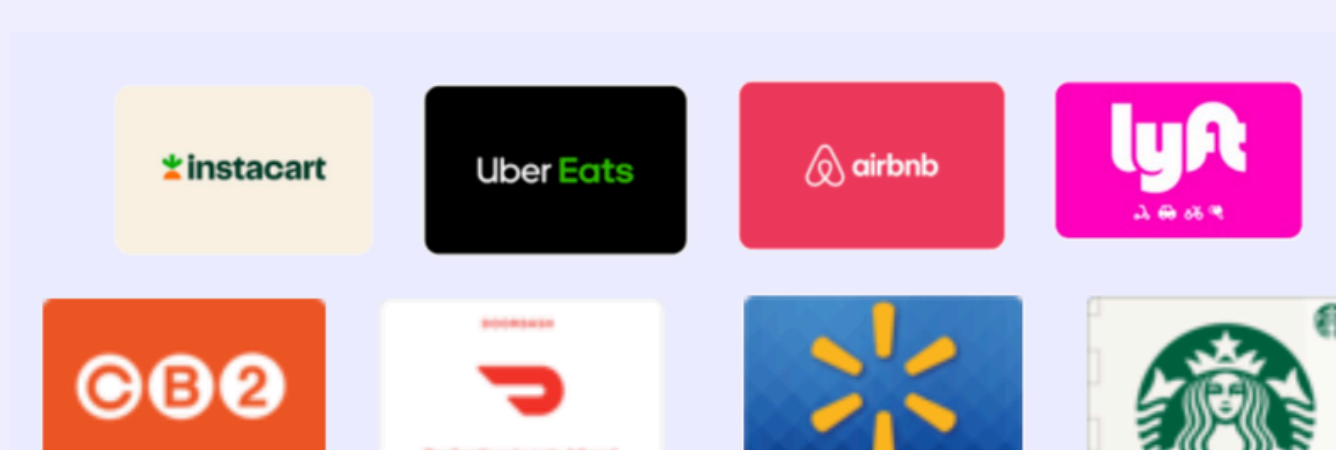

CeCe,
Head of HR

LIVD makes it easy to provide employees personalization in their benefits, with over 15 benefit categories available on the app.

Our platform simplifies the selection of unique perks, offering **100's to choose from.**
